>> This Vancouver label is available at boutiques all over the world, but has only one flagship store, on Kitsilano's "Yoga Row." What started out as a line best-suited for the yoga studio has now grown to include staple items for Pilates class, a run on the seawall, or just hanging out. They have pants, tanks, jackets, all with plenty of stretch to move and trendy enough to be seen in. Expect this spring's palette to include dark brown, pink and dusky blue. Cool pluses: New collections arrive every six to eight weeks, and there are plenty of duds for dudes too.
